# COMPANY PROFILE

# FOUNDER

## Jagdish Patel

Passed out as a mechanical engineer in 1994, I started working in Hitachi. With a passion to start something of my own and God's grace, I started Shree Marutinandan Enterprise which will allow me to use the experience I gained in Hitachi. Over the years, I have been fortunate to have worked with many amazing clients who have eventually become our ambassadors. Our aim is to continue reaching new heights while maintaining our quality and adaptability to new circumstances.

# ABOUT COMPANY

Shree Marutinandan Enterprise, founded in 2008 in Ahmedabad, Gujarat, has emerged as a reputable mid-level player in the air conditioning industry. We specialize in providing high-quality air conditioning products and professional services tailored to both businesses (B2B) and individuals (B2C).

Our enduring commitment to professionalism, quality, and exceptional service sets us apart. We take pride in delivering seamless experiences to our valued customers, ensuring their spaces are comfortable and energy-efficient. At Shree Marutinandan Enterprise, our mission is clear: to be the preferred choice for Air conditioning & Home automation solutions and services in India, enhancing comfort and contributing to a sustainable future.

# OUR VISION

To become the top choice for Air conditioning & Home automation solutions and services across India, celebrated for our commitment to excellence, innovation, and ensuring everyone can enjoy optimal comfort.

# OUR MISSION

Our commitment to professionalism, quality, and exceptional service ensures a seamless experience for every customer, whether you're a business entity (B2B) or an individual (B2C). Our mission is to create comfortable and energy-efficient spaces, delivering satisfaction to our customers and contributing to a sustainable future.
